

WESTERN GOLF CHAMPIONSHIP.

[By Associated Press.]
Chicago, Ill., Sept. 8.—The fourth annual championship tournament of the Western Golf association began today on the links of the Chicago Golf club and will continue until Saturday. The winner in the competition will be the western amateur champion golfer for the year, and his club shall have the custody of the George R. Thorne trophy until the next annual championship meeting. Today's play was devoted to a thirty-six hole medal score qualifying round. The participants include some of the best amateur players in this part of the country and an unusually successful tournament is expected.

CATHOLIC BENEVOLENT LEGION.

Albany, N. Y., Sept. 8.—The Supreme Council, Catholic Benevolent Legion, began its annual session in Albany today. The delegates assembled at 9 o'clock this morning, and, headed by a band, marched to the cathedral of the Immaculate Conception, where Bishop Burke pontificated and made an address of welcome. From the cathedral the delegate proceeded to Centennial hall, where further welcoming exercises were held. The business sessions commenced this afternoon and are expected to conclude late tomorrow afternoon with the election of officers.

AS VIEWED IN NEW YORK.

(New York Sun.)

Here is an extraordinary situation: At the anthracite coal mines the striking miners stand with clubs raised for assault upon the men who desire to work. Every mine is fortified and guarded by private policemen, and the troops of the state have been called out.

At a distance the better dressed friends of the rioters are giving them aid and inspiration by shrieking that the operators must "mine coal."

Result: The Milwaukee Methodist Ministers' association, for example, adopts a resolution calling on the government to seize the mines and operate them.

Gush, demagoguery and lawlessness are working hand in hand.

The rioters and these friends of theirs are enemies of the public. They should be hushed, rebuked or suppressed.

A Boy's Wild Ride for Life.

With family around expecting him to die, and a son riding for life, 18 miles, to get Dr. King's New Discovery for Consumption, Coughs and Colds, W. H. Brown, of Leesville, Ind., endured death's agonies from asthma, but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures of Consumption, Pneumonia, Bronchitis, Coughs, Colds and Grip prove its matchless merit for all Throat and Lung troubles. Guaranteed bottles 50c and \$1.00. Trial bottles free at Wheeler and Son's drug store.

WILL BE RICH PICKING.

Editor Leader: The Republicans will have their legislative conventions in a few days and delegates will be worth more than at any time since the war. The bidders will be Merrett, for the Santa Fe railroad company and J. W. McNeal and Co., on one side under the direction of Dennis Flynn. Against them will wait Barnes, Strang, H. S. Cunningham, Wilson and Suspension of the Rules Cotterall. Of course the end in view, the stakes for which this great game of freeze out will be played is the rake off at the coming session of the legislature, when the insane asylum, school book steal and the care of the penitentiary convicts will come up. There will be great picking for the faithful, and now while the opportunity lasts let the voters stand to their guns. As a financial venture the present opportunity of the professional voter makes "holding for ransom" look like thirty cents.

Ajax.

Fortune Favors a Texan.

"Having distressing pains in head, back and stomach, and being without appetite, I began to use Dr. King's New Life Pills," writes W. P. Whitehead, of Kennedale, Tex., "and soon felt like a new man." Infallible in stomach and liver troubles. Only 25c at Wheeler and Son's drug store.

Mrs. John Mannan, the wife of a railroad contractor on the Ozark and Cherokee Central railroad was burned to death near Waggoner, I. T., while preparing supper. She attempted to light the fire with kerosene and the can exploded, igniting her clothes. Her home is reported to be in Terre Haute, Ind.

A Wife Says:

"We have four children. With the first three I suffered almost unbearable pains from 12 to 14 hours, and had to be placed under the influence of chloroform. I used three bottles of Mother's Friend before our last child came, which is a strong, fat and healthy boy, doing my housework up to within two hours of birth, and suffered but a few hard pains. This liniment is the grandest remedy ever made."

Mother's Friend

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a mistake to be paid for in pain and suffering. Mother's Friend equips the patient with a strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves cramping sickness and nervousness. It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard breasts is altogether avoided, and recovery is merely a matter of a few days.

Druggists sell Mother's Friend for \$1 a bottle. The Bradford Regulator Co., Atlanta, Ga. Send for our free illustrated book.

GOLDEN STATE'S BIRTHDAY.

(By Associated Press.)
New York, Sept. 8.—The anniversary of the admission of California to the union of states is to be celebrated with an elaborate banquet in New York tonight. The anniversary is a holiday in California, but this is the first notable celebration of the day to be held in this city. The affair is to be under the auspices of the California Society of New York, an organization recently formed by native sons of California now resident in New York City or vicinity.
